The disruptions of Covid may not be completely over, but KCRSPA has pretty much resumed a lot of what was lost during the pandemic. This includes our regular luncheons, and especially our December Luncheon with the Raffle Baskets as a way for raising money for the Scholarship Fund. Kathy Clark and her committee work miracles finding a variety of venues that can host.

The highlight of the December meeting seems to be the Baskets. Each basket is built around a theme and donated by the Executive Committee. Raffle tickets are sold with the money going to the Scholarship Fund. Members can purchase as many tickets as they wish and put those tickets in the cups of the baskets they want. Winning tickets are drawn and baskets awarded.

December was a busy month for KCRSPA as in addition to the Luncheon, members of KCRSPA also did a Christmas Tree for the Soroptomist Club Annual Festival of Trees. The Festival is held annually at the First UMC Hall and in conjunction with Chestertown Dickens of a Christmas Festival held in town. Emily Massey spearheaded this project. Certainly this gets the work of Kent County Retired School Personnel Association out in front of the public.

!!!!!!!!!!!! Website Question !!!!!!!!!!!!! IMPORTANT

On Thursday, Feb. 2, I received the email as printed below from Frankie at the state office. I called and got by chance the always well informed and pleasant Wanda Twig (though Frankie is well informed and pleasant as well), and learned that apparently the website that KCRSPA has is run by a contract company and is maintained by MRSPA with running help by Bill Brose. This site is not, as I assumed, a feature of MRSPA, but rather a paid feature provided by a contractor called 'Just Host'. This feature has not been traditionally billed until now as it fell through the cracks. As you can see in the email, KCRSPA needs to decide by Feb. 28 if we want to continue.

I can see the value and can support many reasons to go either way. Certainly this is 2023 and websites are important. And the \$20 per year seems reasonable. It is a way to disseminate information and general material...if it's used. I'm told only one county does not use the service. I personally don't go to our website often, and rarely go to the MRSPA site either, although not for any particular reason. Probably as I'm just old. I would ask that if you have strong feelings one way or the other, contact one of the Executive Committee, page 9, and let them know. It is my current intent to ask the Executive Committee to approve the \$20 expense.

KCRSPA site is not up to date and that's probably my fault as I need to feed Bill material, and I am guilty of failing to do that on a regular basis, or on a basis of understanding. It is extra work. Volunteer here would be gladly accepted.

Good afternoon Local Association Presidents. MRSPA is being billed for website services from "Just Host" for your Local association. In reviewing some of the websites, it appears that some of them are not being used. If you are using your website and/or are not currently using it, but plan to update it, and would like to continue this service, we will send you a bill for the annual fee. If you no longer wish to continue this service with "Just Host", please let me know by February 28, 2023.

AMERICAN MUSIC THEATRE TRIP - Ruth Wilson

Our trip to the AMT is scheduled for Thursday, November 9th. The program this year is called "The First Noel." We will be dining at Shady Maple after the show. The cost of the trip is \$110. Contact Ruth Wilson if you are interested in going. Remember...this event helps support our Scholarship Fund.

Community Service - Billie Lynne Roberts and Susan Crooks

KCRSPA continues to participate in the Free Little Library Project. We presently have three Free Little Libraries: one in Worton Park, one at the Lagoon in Rock Hall and one in the Tolchester Community Center. KCRSPA members check these Free Little Libraries on a regular basis and add new books if and when needed. We are excited to announce that very soon we will be adding one more library. The girl scout group led by Terri Mullikin is planning on building another library to be put at the apartments in Fairlee. Many thanks to Terri for taking on this project.

Many of our members are doing valuable volunteer activities in the community. MRSPA annually recognizes outstanding service of members who are positively impacting the community. This year we are nominating Terri Mullikin for this volunteer service award. She actively donates many hours to help improve the lives of others in our community. The completed application was sent to MRSPA. Applications are due by April 1, 2023. Awards are presented in Cockeysville on May 9, 2023.

The Maryland Senior Citizens Hall of Fame is currently seeking nominations of qualified seniors to be considered for induction into the 2023 Hall of Fame. Based on her volunteer work, we have selected Terri Mullikin as our nominee for 2023. The application was sent to the MSCHF board for approval. Approved nominees are inducted into the Hall of Fame at the induction luncheon held in October.

This past year our members started an outreach program called KCRSPA Community Outreach. This program is designed to help families in need of hygiene products. It is housed at Garnett Elementary School and overseen by Flo Terrill who is the Community School Coordinator. We collected items for the project at our last meeting. Thank you to those members who donated to this cause. So far our donations have helped 15 families. Flo tells me we are running low on the following hygiene products: toothpaste, toothbrushes, and women's deodorant. Please consider donating these items at our March luncheon. (Full size rather than travel size, please.)

After reporting on the progress of the aforementioned outreach projects we had a discussion about the possibility of helping our community in additional ways. We decided to continue our outreach by making monetary donations of \$100 to the food pantries in Millington and Chestertown.

Scholarship Committee Report - Billie Lynne Roberts

I delivered the 2023 Scholarship application to KCHS on January 10, 2023. Completed applications are due April 1, 2023, and will be mailed to Susan Crooks. The Scholarship committee will meet in April to review the applications and select students to be awarded

our scholarship. The executive committee makes the final approval in May. Please contact Tilise Brown, guidance secretary at KCHS, to inquire about scholarship activity.

Thank you to all who continue to contribute to the scholarship fund. Your donations are very important to secure our ability to provide scholarships to deserving KCHS seniors. As the prices of everything increase, your donations are very important. It is our mission to provide financial aid to young people as they begin their career paths.

In the newsletter you will find a form to use for donations.

*Flossie
Senada
Johnson—*

- dedicated educator at Galena School for 26 years—left this life singing “Oh, Holy Night” on December 22, 2022. Born and raised in Kent County, she graduated from Bowie State University and began her career at Galena Middle School where she became a legend for her no nonsense “style”. She loved her family, her church and her friends.

Flossie will be long remembered for her smile, her laugh, her love of ice-cream and fashion and community commitment. The Galena staff will remember all the wonderful, fun “moments in time” with Flossie.

Scholarship Fund

Help us fulfill our mission to support high school students planning their college careers. It is through your donations that we are able to award scholarships to deserving Kent County High School students. These scholarships mean a lot to students and their families.

In the past 16 years our association has awarded more than \$30,000 in scholarships. These awards are made possible by our members who are asked to contribute \$25 annually. Many thanks to those who already made a contribution. Educators need to be in the forefront of supporting students.

***Remember: This is a major goal of our organization!
All donations allow us to continue the scholarship program.
Names of donors will be listed in the Newsletter.***

President Note - The following information is provided for those members who participate in the BOE insurance plan as retirees. With what has been annual insurance program changes, there are frequently questions and problems that arise.

The Human Resources office at the BOE handles this benefit and has agreed to provide general information through an article. Specific individual questions should be addressed to Dan Hushion or Bryn Kibler at the Central Office, or to Labor First.

This article concept was a mutual concept of Dan and myself, and he and Bryn have agreed to provide general information through this newsletter to help guide us all as we work through the various issues of the health insurance.

“Did you know” from the KCPS HR Office ??? - Dan Hushion/Bryn Kibler

Please call **LaborFirst at 855-236-7152** if you have a provider who says they do not accept our Medicare Advantage plan. LaborFirst will call the doctor and explain our plan to them. It would be helpful to save this number in your phone or bring it with you so LaborFirst can speak with the doctor's office immediately instead of having to reschedule an appointment.

You should continue your Medicare Parts A & B enrollment.

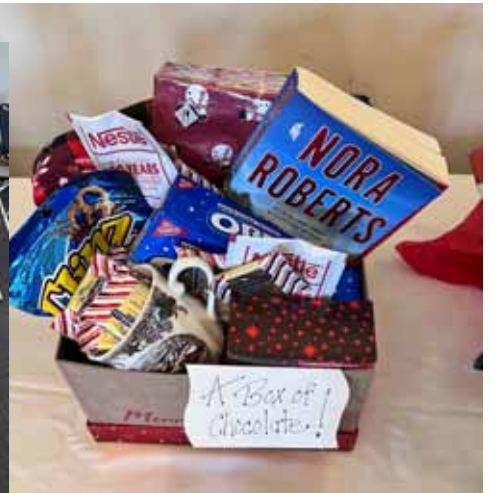

Medicare-eligible retirees should have noticed a premium change in your January 2023 pension check.

Please contact **Bryn Kibler at 410-778-3644 or bkibler@kent.k12.md.us** if you have any questions about the amount that was deducted.

The Social Security Administration unveiled a new website at SSA.gov. The agency encourages people without any Social Security account to create one today at www.ssa.gov/myaccount/. You can update direct deposit information, receive tax forms online, and print a current Benefit Verification Letter.
